

First and Second Grade Spanish

Dear Students and Parents

I am excited to be teaching Spanish this year to the first and second graders. I am passionate about this people and their beautiful language and I want to share that passion with the students this year. While learning a new language can feel daunting, my hope is for effort and not perfection. I have many different activities, games, artist and of course food planned to help us enrich our learning experience.

Supplies Needed *please make sure to mark all supplies with family name*

\$5 Supply Fee (This will be for a 1 inch notebook and dividers for the class. If you choose to bring your own, have it ready to go on the first day of class).

Crayons

Pencils

Scissors

Glue Sticks

Vocabulary Words

I have attached the vocabulary words we will be going through on the following page. Please help your child work on these words at home to have a more enjoyable experience when they come on Thursdays. We will be constantly reviewing our vocabulary words so if they don't get it PERFECTLY that is fine as long as there is EFFORT.

Thank you for trusting your students with me this year.

Sincerely

Rebekah Tiner
