- THE COLONIES

NATURE

- BUTTERFLIES
- AMPHIBIANS
- FRESHWATER FISH
- AQUATIC INSECTS
- FRESHWATER WATERBIRDS
- FRESHWATER MAMMALS
- INLAND BIRDS

CHATECISMS

Who made you?

God made me

What else did God make?

God made all things

Why did God make all things?

For His own glory.

How can you glorify God?

I can glorify God by loving Him and doing what He commands.

Why should you glorify God?

Because He made me and takes care of me.

Are there more gods than one?

No, there is only one true God.

Where is god?

God is everywhere.

My goal is to foster a love for learning through beautiful books and by helping children notice the world around them. We'll explore God's creation through nature study, read classic stories, practice foundational skills such as the days of the week and months of the year, and memorize simple truths about God and nature. Nature and history will serve as the backbone of our class, while poetry, songs, art, and hands-on activities help weave beauty and truth throughout.

Traditions like our weekly tea time (although we will likely just be drinking lemonade out of tea cups) provide an opportunity to slow down and enjoy a story together. These small moments help us focus on what is good, true, and beautiful.

-Isabelle Barrett
